

# Victory in Children's Church

---

By Dick Gruber 2000

**V**iew the service from a child's eyes. Is it boring? Scary? Are visuals too low? Are they too small?

**I**nvolve the children. Look for ways to use kids as helpers/leaders.

**C**all on the Lord for help. You need God's anointing. Let the Holy Spirit guide you.

**T**alk as God's authority. Speak with confidence that God will work through you to bless the children.

**O**bserve the reaction, attention of the children. Be aware of the children when on or off stage.

**R**eview theme in everything done and said.

**Y**ou are God's messenger. This is a spiritual calling.
